Dear Advertiser,

Congregation Tifereth Israel, the oldest continually active Jewish synagogue on Long Island, invites you to advertise in our new, updated kosher cookbook.

Unlike advertising in a bulletin that gets thrown out after a week or so, ads in our cookbook will be kept and referred to for years.

Our advertising costs are modest, and an ad includes a number of valuable "extras":

- Integrated ad placement. Your ad will be placed within the book content instead of being buried in the back where no-one ever looks.
- A listing on our web site with a link to your own site if you have one.
- Free design your ad if needed.
- Free design of coupons.
- One copy of the book free of charge.

Fill out and send in your insertion order today.

Sincerely yours,

P.S.: We also urge advertisers to submit recipes as well. And we'll do our best to make sure that your ad is printed as close as possible to your recipe!

Not sure if your recipe is kosher? It's not as hard as you think! See the cookbook page on our web site for the few, simple rules.
